Building more  
than just homes

## There's no place like home

When we set about building our homes, we always begin with the same four principles in mind - modern living, future sustainability, light and bright, and community.

These principles are brought to life through thoughtful design, and with all of them combined, they create a distinct home that enhances and benefits your lifestyle.

## Here's why...

To enjoy the fresh, semi-rural setting and the welcome of the village shops and primary school, yet be only around half an hour's drive of the centre of Newcastle. To have the supermarkets and leisure amenities of Consett within walking distance, and the beautiful North Pennines Landscape just three miles away. Next to mature woodland, and close to bus routes, Valley Rise offers a perfect blend of countryside and convenience.
